

Welcome to the sweet spot.

Powerful performance—in a new, designer-friendly size.

Introducing the new 48-inch, 5200-watt offering available in our sleek CD-Series and popular flush mount WD-Series.

Proudly Made in the USA

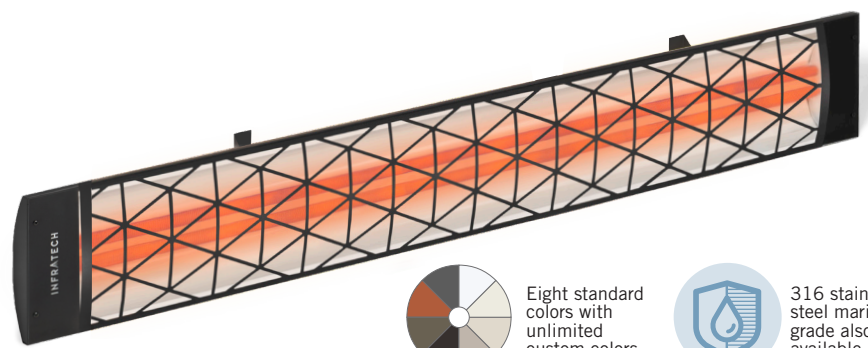

INFRA TECH
COMFORT

48 INCHES. 5200 WATTS. 10-FOOT MOUNTING HEIGHTS.

Experience the perfect balance of comfort and style.

Introducing our newest offering, designed to create the ultimate sweet spot — from the brand of choice.

Eight standard colors with unlimited custom colors

316 stainless steel marine grade also available

Infratech's new 48-inch CD-Series and flush mount WD-Series products have been designed to meet customer needs for mid-sized options with powerful performance.

Design symmetry: Our new designer-friendly 48-inch length offers new possibilities for enhanced visual appeal in a variety of spatial configurations.

Maximum coverage: Enjoy concentrated 5200-watt performance, for efficient heating of a 10' x 10' area.

Intensity: Optimizes the watt/density formula for maximum comfort.

Versatility: Ideal for a wide range of spaces and design styles.

Durability: 316 stainless steel marine grade also available.

Sweet spot mounting height: Designed for a 10-foot ceiling — our most frequently requested specification.
